Recommandations

Ágota Angi :

Gyula is a very talented designer, with a sharp eye for detail. He has brought a grate addition to our online projects with his suggestions related to improving the user experience.

He is a real team player, and a creative person, who can help every manager to think the projects one step further. I recommend him as a designer

Patricia Roman-Morar :

Gyula is an excellent designer with a very keen eye. He takes great pride and joy in his work and is always spot on. It is for this reason that all his projects are meticulous and extremely well thought through, always user orientated.

All the projects he has worked on, have always been constructed in such a manner that brought on much enjoyment.

He fits into teams with ease and enjoys engaging work with different individuals.
